President's Message

Our President, Sue Johannsen is on excursion enjoying another type of horse power- she is at the Kentucky Derby! We encouraged her to wear a polk a dot dress and a big straw hat. I am not sure what type of dress she had, but I know she had a big hat!

We are so happy to see that we have 4 new members and hope that they can join us for an event soon. I hope the weather is beautiful all summer and we all enjoy it to the fullest.

On March 19th, Dave Nordlund hosted us at the new McKenzie River Pizza . It was crazy busy, but we had good food and good attendance and a good visit.

On April 16th , Arlyce and Jim Lillegaard hosted us at a Hy-Vee dinner. The dinner had a French theme and was delicious. With each course, wine pairings were suggested and served .

We would like to thank Dave Nordlund and Arlyce and Jim Lillegaard for entertaining us.

For pictures and updates of more upcoming events follow us on our website of dak.pca.org.

It has been suggested that we feature a member of the Dakota Region each month and have them tell their story of how or why they bought a Porsche. To start the ball rolling, we will feature Kathy and Lee Lunde's story. Hopefully other people will offer their stories in the future!

In the year 2000 or 2001, Lee's brother had a gray 1982 911 with a whale tail. He needed to use a pickup frequently and he didn't have his own. The first time he asked to borrow our pickup, he brought us an old VW to drive in exchange for the pickup. We told him this was not a satisfactory arrangement and that we would need to drive his Porsche in exchange for the pickup. He borrowed our pickup repeatedly and we delighted in telling him how quickly we could go from zero to sixty. This was a mistake, we later learned! Our neighbors asked us if we were having a "mid life crisis" when we were driving off in the Porsche. We happily told them that perhaps we were but we were enjoying ourselves immensely! Before the end of that summer, Lee's brother brought over a new vehicle to show us...he had bought a pickup. We were advised to buy our own Porsche ...and we did. The rest is history.

The DRPCA is offering shirts with our logo. Please check out the information on the dak.pca.org website.

If you are not able to make it to Parade this year, please consider coming to Run for the Hills XIV in beautiful Keystone, SD August 25-28th. Registration and Information sheet available on our website.

Another trip to consider is AMORE, October 6-9th, hosted by John and Marcine Forrette. This trip includes driving tours through Minnesota and Wisconsin along the Mississippi River. Another beautiful trip....
